

## Material Safety Data Sheet

1. Chemical Product Identification and Company Identification	
Product Name	NBR70
Product Description	Vulcanized Rubber
Manufacturer	Tai Tsuang Oil Seal Ind. Co.,Ltd. 2-1 Fu Kung Road, ChanrHua, Taiwan 506.
Telephone Number	886-4-7696-111

2. Composition/ Information on Ingredients	
Single/Mixture	Mixture
Chemical Name	Nitrile Buradiene Rubber Compound
CAS Registry Number	Not applicable
UN Class & UN Number	Not applicable

3. Hazard Identification	
Emergency Overview	
Little odor, black solid Foam, Carbon Dioxide, & Dry Chemical can be used on fires.	
Potential Health Effects	
Eye Contact	Solid may cause irritation or corneal injury due to mechanical action.
Skin Contact	Essentially non-irritating to skin. Mechanical injury only.

4. First Aid	
Eye Contact	Flush eyes with plenty of water. Consult a physician if symptoms persist
Skin Contact	Wash off under flowing water with soap.
Ingestion	If conscious, give water to drink & induce vomiting. Never give anything by mouth To an unconscious person. Call a physician immediately.

5. Fire Fighting Measures	
Extinguishing Media	Foam, Carbon Dioxide & Dry Chemical
Hazardous Combustion Products	Thermal decomposition products may include hydrogen fluoride gas.

Page 1 of 2

6. Handling & Storage	
Do not smoke while handling, wash hands and gargle after handling. Store in cool place. Avoid direct sunlight, high temperature, high humidity & flammable material.	

7. Physical & Chemical Properties	
Appearance	Black solid
Odor	Little
Boiling point (□)	Not Applicable
Vapor pressure	Not Applicable
Vapor density	Not Applicable
Solubility in water	Insoluble
Specific gravity	1.5
Melting point (□)	Not Applicable

8. Stability	
Is considered a stable material under normal and anticipated storage and handling conditions.	

<b>9. Toxicological Information</b>
-------------------------------------

No information available
--------------------------

<b>10. Ecological Information</b>
-----------------------------------

No information available
--------------------------

<b>11. Transport Information</b>
----------------------------------

Is shipped with vulcanized. Therefore, it is not listed in UN Recommendation on the Transport of Dangerous Goods.
---

<b>12. Disposal Consideration</b>
-----------------------------------

Follow all relevant regulations for disposal.
---

This information is furnished without warranty, expressed or implied, except that it is accurate to the best knowledge of Tai Tsuang Oil Seal Ind. Co.,Ltd. The data on this sheet relate only to the specific material designated herein, and does not relate to use in combination with any other material or in any process. Tai Tsuang Oil Seal Ind. Co.,Ltd. Assumes no legal responsibility for use of or reliance on these data.
