

Partstech – Process for customer to submit access request

The customer needs to first sign into their personal PartsTech account.

Then go to My Shop > Suppliers > Add Suppliers, from there they can use the map or search box to search for Fast Undercar.

The screenshot shows the 'My shop' interface in the PartsTech system. The 'SUPPLIERS' tab is highlighted in the navigation menu. The main content area is divided into two sections: 'Shop logo' and 'Shop info'.

Shop logo: A large rectangular area with the text 'Drag logo to this area or' and a dark blue button labeled 'Upload your logo'.

Shop info: A series of input fields for shop details:
