

In AutoFluent go to

1. Setup Entry > System Settings
2. Select the Interfaces tab
3. Select the Nexpart tab
4. Check the checkbox "Use Nexpart to order parts?"
5. Name of Supplier "You will create a supplier name here"
6. Select a Vendor "You hit the box on the right and select a vendor that you have added to "AutoFluent"
7. Login/Password for Nexpart "The username and password you get from Fast Undercar"
8. URL - use factory setting (click button) '[nexpart.com](http://nexpart.com)' or change to '[www.nexpart.com](http://www.nexpart.com)'  
Make sure to click the 'Save Changes' button before closing the System Settings window

If your customers need any assistance with this they can always call the support line at [916-576-2021](tel:916-576-2021) and we can help them set up the integration.
